- **Sara’s Wholesome Food**

Spend: **1.91 Lacs** ; Revenue: **3.63 Lacs** ; ROI: **1.9**; Orders: **222**; Avg. CTR: **3.09%** ; Avg. CPA: **₹863**

Impressions: 4,074
CTR: 2.71%
Avg. CPC: ₹11.57
Conv. Rate: 6.67%

Impressions: 6,989
CTR: 1.76%
Avg. CPC: ₹20.9
Conv. Rate: 1.06%

Impressions: 2,514
CTR: 1.99%
Avg. CPC: ₹13.7
Conv. Rate: 2.70%

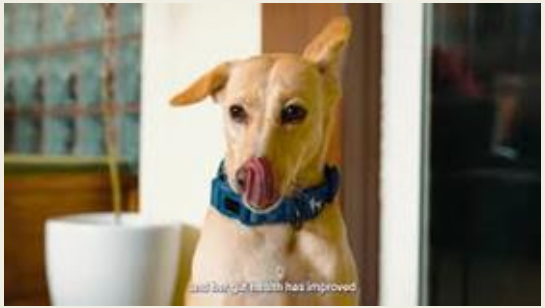
Key Learning : SWF static creatives with clear price callouts and problem-solving messaging outperform emotional communication (e.g., “home-cooked”, “just like home”) on conversions. Small dog breed–focused creatives show strong conversion efficiency despite lower reach, indicating high intent within niche audiences.

Platform- YouTube (In-stream & Shorts) | 1st- 27th Jan'26

- **Sara's Wholesome Food - Upper Funnel (Awareness)**

SWF Testimonial with small dog breed (25 sec)

Views: 31,470
Avg. CPV: ₹0.29
100% View Rate: 7.58%



Hershey Gluten Allergy (20 sce)

Views: 95,219
Avg. CPV: ₹0.17
100% View Rate: 19.17%

SWF testimonial compilation (30 sec)

Views: 33,567
Avg. CPV: ₹0.35
100% View Rate: 3.90%

Key Learning : Short-form videos (≤25s) deliver the strongest performance, especially when clubbed with problem–solution narratives such as testimonials or before–after transformations. Content focused on the "why" behind SWF and the benefits of clean ingredients outperforms ingredient-led messaging- what we put in SWF food

Platform- Google Ad Network (Display) | 1st- 27th Jan’26

- **HUFT Treats**

Spend: **2.59 Lacs** ; Revenue: **7.44 Lacs** ; ROI: **2.8** ; Orders: **966** ; Avg. CTR: **3.85%** ; Avg. CPA: **₹268**

Impressions: 2,912
CTR: 2.55%
Avg. CPC: ₹9.13
Conv. Rate: 5.22%

Impressions: 4,823
CTR: 1.59%
Avg. CPC: ₹7.36
Conv. Rate: 1.15%

Key Learning : For HUFT Treats, both single-unit and portfolio creatives were tested, with single-unit static assets delivering stronger conversion rates. Also, having a CTA adds to the improvement of the CTRs

Platform- YouTube (In-stream & Shorts) | 1st- 27th Jan'26

- **HUFT Treats - Upper Funnel (Awareness)**

HUFT Treats portfolio (18 sec)

Views: 36,297
Avg. CPV: ₹0.26
100% View Rate: 4.77%

HUFT Treats testimonial (25 sec)

Views: 22,610
Avg. CPV: ₹0.18
100% View Rate: 15.60%

Key Learning : For HUFT Treats, the Treats testimonial video is performing strongly (More focused on sara's treats), achieving a good 100% completion despite being ~30s and newly launched. In contrast, the full portfolio video proved too complex for the awareness stage, limiting viewer engagement.

- **Hearty**

Spend: **80.5 K** ; Revenue: **2.18 Lacs** ; ROI: **2.71** ; Orders: **141** ; Avg. CTR: **1.69%** ; Avg. CPA: **₹571**

Impressions: 1,156
CTR: 4.14%
Avg. CPC: ₹7.38
Conv. Rate: 2.82%

Impressions: 1,250
CTR: 2.75%
Avg. CPC: ₹9.38
Conv. Rate: 1.14%

Impressions: 2,816
CTR: 4.25%
Avg. CPC: ₹23.6
Conv. Rate: 1.65%

Key Learning : For Hearty, creatives with a clear price callout paired with a "best dog food" claim perform well, driving strong engagement.While CPC is currently higher due to the newness of the creative, performance is expected to improve as the asset optimizes over time

Platform- YouTube (In-stream & Shorts) | 1st- 27th Jan’26

- **Hearty- YouTube Shorts & In-stream (Conversion)**

Healthiest Dog Food (19 sec)

Views: 15,836
Avg. CPV: ₹1.01
VTR: 25.46%

Burnt Kibble (27 sec)

Views: 2,614
Avg. CPV: ₹1.93
VTR: 17.00%

Key Learning : Hearty video campaigns show limited upper-funnel efficiency with higher CPVs, as they are optimized primarily for conversions in a highly competitive kibble category. Horizontal videos focused on “why switch to Hearty” outperform Shorts, which are relatively costlier and underperform on efficiency.

Platform- Google Ad Network (Display) | 1st- 27th Jan'26

- **Meowsi**

Spend: **67.3 K**; Revenue: **1.18 Lacs** ; ROI: **1.75** ; Orders: ; Avg. CTR: **1.36%** ; Avg. CPA: **₹629**

Impressions: 1,368
CTR: 1.37%
Avg. CPC: ₹13.40
Conv. Rate: 2.78%

Impressions: 1,101
CTR: 2.38%
Avg. CPC: ₹6.85
Conv. Rate: 1.64%

Impressions: 971
CTR: 1.76%
Avg. CPC: ₹9.11
Conv. Rate: 0.91%

Key Learning : For Meowsi cat food, price-led messaging is a key driver of CTR, while texture-focused creatives underperform with CTRs below 1% . "Complete meal" positioning adds value but currently suffers from low awareness, limiting its impact.

Platform- YouTube (In-stream & Shorts) | 1st- 27th Jan'26

- **Meowsi- YouTube Shorts & In-stream (Conversion)**

Food for all cat breeds & texture (20 sec)

Views: 6,363
Avg. CPV: ₹0.97
VTR: 35.90%

Meowsi testimonial & Texture (25 sec)

Views: 1,453
Avg. CPV: ₹1.08
VTR: 30.86%

Key Learning : For Meowsi videos, texture-led messaging and testimonial-driven creatives perform well on engagement. Testimonial videos are still early with lower view volumes, they show promising VTRs, indicating strong potential as they scale.

Google Ads Best Practices (Statics)

Good

Clear Company Logo

Strong value proposition & not text heavy

Clean design readable in smaller ad placement spaces

Uncluttered & product in focus

CTA Button

Average

Key Learning : Statics outperform videos in lower funnel Display ; Having Price + CTA yields best conversions

Google Ads Best Practices (Video)

Messaging Type	Performance	Funnel Stage	Why it Works
Price + Offer	★★★★★	Lower	High intent, fast decision-making
Problem → Solution	★★★★☆	All	Clear relevance + urgency
Testimonials	★★★★★	Upper + Mid	Building Trust & relatability + New user acquisition
Emotional / Brand	★★☆☆☆	Upper	Weak conversion but good brand building overtime

Key Learning : Creative Optimizations- Good to have 3 lengths: 15s, 20s, 25s videos ; First 3s = Hook → Product → pricing
